Heath Close, NW11

On the market for the first time in almost 50 years and located in this private turning just off Hampstead Way, is this Grade II listed, 6-bedroom family home. The property offers over 2800 sqft (264 sqm) of generous accommodation arranged over 3 floors and abuts the Heath Extension.

Internally the property would benefit from a program of restoration and refurbishment which would enhance many of its original features. Currently on the ground floor there is a Kitchen breakfast room, a large "L" shaped main reception room, a separate dining room, utility room and a guest W.C.

The first floor offers 3 double bedrooms and 2 bathrooms which includes a large principal room benefiting from a generous ensuite bathroom/dressing room and there is an added benefit of a loggia to bedroom 2. On the second floor there 3 further double bedrooms and a bathroom.

The amenities of Golders Green and the underground station are within a 10-minute walk. An early viewing is highly recommended.
