

Holders Hill Gardens, NW4

A one of a kind 2,399 sq ft semi-detached house for sale in Holders Hill Gardens offering five bedrooms and three bathrooms. This special house has been built to allow maximum natural light throughout. It offers an open plan kitchen dining room and an impressive large two-tier reception room with a striking wall of windows that flood the space with light. Outside, there is a generous landscaped garden with a terrace overlooking Windsor Open Space.

Notably, the principal bedroom features dual aspect windows, an ensuite, and a walk-in wardrobe/dressing area

Additional benefits include off-street parking for up to 4 cars, designated office space.
